

SO YOU WANT TO RUN FOR OFFICE

1

Understand the office.

- Requirements and qualifications of the position.
- Filing deadlines & election dates.
- Term length.
- Campaign time requirements & cost.

2

Evaluate your network.

- Have you discussed a campaign with your spouse, family, & friends?
- Does your employer have policies about running for office?
- Who are your early supporters?
- Who are your potential donors?

3

Assess your available time & money.

- Do you have the time and finances available to campaign?
- Are you comfortable with the work/life balance of the office?
- Are you current on all your taxes?
- Do you have any current or past legal issues of concern?
